Peace and Good. I am Fr.John Muscat ofm, a Maltese Franciscan Missionary in the Philippines. I don't know how I found myself viewing this website but I thank God for this, as for many times I wanted to say thanks for you, dear people from Xaghra. Maybe you are asking for what this thanks? Some years ago I asked the parish priest my dear friend Fr. Anton to help me in my mission and yes he did help me a lot with a good donation and mass intentions. Thanks a lot for your great love to the missions and may God shower on you all his Holy Blessings. Hope I will be blessed again with some more help for my mission here among the poor and the sick.

I really enjoyed watching the Palm Sunday Passion Pageant, on the Xaghra Parish website, all those photos of kids with different coloured costumes. It reminded me of when I was very young and I took part in a play called "Ta Fatima" which was held at Ic-Cirklu which was so called in those days, now the Xaghra Youth Centre. A lot of people might still remember it.

I congratulate the Vocational Centre, all the teenagers and kids that took part as well as all the organisers. I also hope that in future they will have a set of statues to carry, that will be amazing making it complete like Good Friday Procession. We should be proud of our future generation.

I also like to thank all those involved or volunteer to this website, without them it will be a different story.

I wish you all A Blessed Easter

The unexpected death of Joseph Grima at the age of 79 leaves not only his widow and daughters grieving but his hometown of Xaghra filled with deep sorrow. Xaghra is mourning one of her worthy sons, a gentleman, a devout family man deeply rooted in the Catholic faith, a man who spent most of his life engaged in volunteer work for the benefit of the population. Joseph was an inspiration to all who came in contact with him. The Parish has lost a valuable volunteer. Starting early in the morning, at 5.00 a.m., Joseph used to switch on Radju Bambina to start transmitting Masses from the Basilica and he was the one to animate the first Mass at that early hour. Then followed long hours in the morning doing

voluntary clerical work at the Parish Office all the time this was open for the public. For many long years until his death he worked incessantly within the Legion of Mary, at times holding high positions at Diocesan level, was Minister of the Holy Eucharist, and besides Mass animator he animated Hours of Adoration every week. He also took part singing with choirs in the Basilica and was always available to lend a hand to whoever sought his assistance. Socially he was in the forefront spending many years as Bass Drummer with the Victory Band of Xaghra. For his long service with the band, after his retirement, he was elected Honorary Bandsman of the Society for life. He was also one of the volunteers behind the microphone of the Community Radio, Radju Bambina. Joseph served as Mayor of Xaghra in the Local Council, the second to hold such office, having been so elected on 26th April 1996 and serving until March 1998. Joseph Grima is gone but his memory will not fade away. May the Lord grant Joseph his just reward of eternal rest and to his widow Consiglia, his daughters Maria and her fiancé David, Joan and her husband Noel and their children, comfort in their grief. To them my family's deepest condolences.

L-Ahhar Tislima Tieghi Lil Fortun Theuma

Hassejt jien qalbi Maghsura, Meta illum smajt b'din l-ahbar
Is-sagristan li halliena, Habib kien t'abbatin zghar

Gesu' 'l dan habib ta'qalbek, Mistrieh paci Int ghatih

Int Bambina tal-Vitorja, Taf x'mar Fortun ta ghalik
Tul il-hajja sa kemm felah, Stinka, jzejjen ftahar bik

Tarah kont fil-ghodu kmieni, Bomm, Fortun daqq il-qanpiena
Qed idoqq il-Pater Noster, Kienu jghidu n-nies ghajjiena

M'inhix ser insemmi kollox, X'Jaghamel kien das-sagristan
Jigri b'sellum twil sac-cinta, Jghatti b'dumask il-hitan

Konna zghar qalbu jtihielek, Ma kontx tibza tistaqsih

Furt ic-censier tfajtlu faham? Trah bil-gamar dan jimlieh

Furt fejn poggejthom it-torci? Konna tfal zghar nistaqsuh
Imbaghad tisma' ghajta kbira, Ghaliex konna insahhnuh

Hekk jien nafu 'l Fortun Theuma, Qalbu taz-zokkor, hanin

Lill-Bambina tal-Vitorja, Kemm kantiela l-litaniya
Meta l-festa kienet toqrob, Fin-noveni kull fl-ghaxija

Ahna li tlaqna' minn Malta, Hekk lil Fortun niftakruh
Ragel umli, ragel twajjeb, Ukoll kien ragel tar-ruh

Habib, Fortun ser nispicca, B'Dawna l-ahhar zewg kelmiet

My family are saddened with the news of the passing away of Fortun Theuma. Fortun was not only a stalwart for our Basilica but had the ability, and knew how to decorate our Basilica way before they made the marble all round. I remember him dressing the Church with that RED Damask for the feast. How hard he worked did not matter to him because he did it with LOVE to God and the Bambina ... He knew how to handle all the Statues for Good Friday and organize everything when he was younger. May the Lord grant him Peace in Heaven. Xaghra Parish has lost a very hardworking handyman We will remember him in our prayers. May he rest in Peace. To his wife Maria and his two sons and their families go our condolences.

The people of Honduras are poor but their heart is full of happiness and love! I missed them so much, they make you feel so at home and offered us the best they had! The children are adorable and come to you for a hug! How I wish I could have had more to give! We visited projects by the Franciscans in Juticalpa, Catacamas and Comayagua. The Maltese always donated and thanks to all these benefactors these people can live with dignity. I felt so moved when we visited the prison. There were over four hundred prisoners, nine of them women. I could not help crying when by their bedsides I noticed their childrens' photos! On the 12th February our group had to hurry for the Consecration and be at the enormous gymnasium to find our places as people flocked towards this venue from everywhere with armed police guarding the place as the Cardinal and the President of Honduras arrived by helicopter. For me it was a feast fit for a Pope not a Bishop! I am so proud of Bishop Mons Joseph Bonello OFM. When I heard his surname being repeated in that country of Honduras how could I not be so proud!

Lil Mons. Joseph Sultana Azzoppari
Arcipriet Gdid ta' L-Gharb

Rajtek: jiena tfajjel ckejken
Wara mbagħad fil-knisja abbati
Meta kont seminerista
Djaknu, bdejt il-barka tagħti.

Imbagħad waslet il-gurnata
Li tant int kont tistenniha
Anke ommok u missierek
u n-nies tal-gzira Ghawdxija.

F'dik is-sen' elfejn u wiehed
Int gejt ordnat sacerdot
Minn dak l-isqof Nikol Cauchi
F'din il-mixja int bqajt sod.

U ix-Xaghra kollha ferhet

Ghaliex ghandhom qassis gdid
F'Gisem Kristu l-hobz ser jibdel
F'Demmu ser jibdel l-imbid.

Serva għall-snin gewwa x-Xaghra
Anke wkoll il-katidral
Ma nafx ngħid kienx imkien iehor
Sejjer l-Għarb xhur ilu ntqal.

Issa l-isqof Grech ordnalu
Sabiex ikun il-mexxej
Għazla mhux min-nies tad-dinja
Izda minn Alla l-Mulej.

Lin-nies ta' l-Għarb ser imexxi
Bħala l-missier, arcipriet
Nixtieq lilu 'n-nies tar-ral
Barka, għajnuna mis-smewwiet.

Jien nifrahlek minn qiegħ qalbi
Kull success lilek nixtieq
U l-Madonna tant habbejta
Tgħinek, Tkun għalik it-trieq.

Il-Bambina tal-Vitorja
Ta' l-Għarb il-Visitazjoni
'Kunu għalik għan-nies tar-ral
Mera, xempju f'decizjoni.

Lilek u ta' l-Għarb il-poplu
Ferh go qalbkom nixteqilkom
Naf kemm il-Visitazjoni
Kemm thobbuha, w Hi għal qalbkom.

Ser nispicca habib tiegħi
B'dawna l-ahhar zewg kelmiet
Jien bħalissa qed niftakar
Hawn fl-Awstralja sbieħ grajjiet
Meta inti gejt izzurna
Jibqghu f'mohħi t-tifikiriet.

Sa x'hin forsi għad niltaqhu
Nibgħat dawn it-Tislijiet
Lilek anke għal kull Malti
F'Malta, u fl-ohra artijiet.

With deep regret we received the sad news that our beloved Mgr Nikol Cauchi, Bishop Emeritus of Gozo passed away on the morning of Monday 15th November 2010. The Diocese of Gozo is deeply indebted to the late Bishop Cauchi for the way he changed for the better the Church in Gozo. The Parish of Xaghra is particularly indebted to His Lordship as it was through his work that the Xaghra parish Church was raised to the title of Minor Basilica and the statue of Our Lady of Victory, the Bambina, was crowned and by him. His name will remain embedded in the heart of Xaghra parishioners. Whilst we cannot doubt that he is enjoying the Face of the Lord, we are still bound to pray for his soul. To H.L. Bishop Mgr Mario Grech and the Church in Gozo our condolences.

As part of the organizing committee I have to say that last Saturday's ball was a huge success. It is a great honour & pleasure to have Can Michael Galea amongst us. Here I thank each and everyone of you who helped in any way especially Can Michael for accepting Xaghra Association of NSW's invitation. A big thank you also goes to Michelle Said for taking the memorable photos available to you on the Xaghrin website and our generous sponsors who help us from year to year. Here I urge & invite all the Xaghrin especially to participate in the program prepared for him. There are many opportunities for everyone to meet & greet him.

Here I also thank Lawrence Camilleri for all the hard work he does to keep the Xaghra website up & running & constantly updated. As an organization we support the Xaghra website as this incurs financial costs so if anyone who tunes into it & would like to help can see any of the committee members and we will pass on your donation. Here I also publicly invite anyone from NSW who would like to receive the rivista ix-Xaghra that you can come directly through us.

All Xaghra is saddened at the tragedy in which people died and others seriously injured with fireworks destined for the Feast of Maria Bambina. To the dead victims may God grant them eternal rest while to the injured we wish them a quick recovery. To their families goes our sympathy and solidarity in this sad

moment. For the Xaghra fireworks enthusiasts this is a big blow as they knew the victims closely and counted them as part of their big family. It was a wise and laudable decision taken by the Archpriest and the festa committee including the Fireworks Group to cancel the march and all external celebrations on Sunday afternoon and all fireworks displays even before the extent of the tragedy was known. I appeal to all Xaghrin to celebrate in moderation the remaining three days, the feast is being held but it is clear that celebrations will not at all be like past years as our minds are dampened with this tragedy, the loss of life and injuries sustained. May God grant the dead eternal rest, the injured as quick a recovery as possible and comfort to the grieving families.

What surprised me was the timing of your query as you must have been posting your message while I was discussing the subject with Mgr Refalo. Soon the new hierarchy will be up to date online. Nhar id-9 ta' Jannar, ix-Xaghra tilfet bniedem kbir, tlifna lill-Zarenu, bniedem li habb b'imhabba kbira lir-rahall twelidu u lill-Knisja ta' Marija Bambina. Minn dak li rajt minn fuq il-website tax-Xaghra nista nikkonkludi li l-poplu Xaghri ta qima xierqa lill-Zarenu. Zarenu kien ihobb hafna lilna s-seminaristi, ghadni nisimghu jghidli - "l-ahjar li tistudja hu filghodu meta l-mohh ikun ghadu frisk. Studja dejjem halli meta tikber tkun tista sservi lill-Bambin". Ghalkemm Zarenu ma ghadux maghna, ahna xorta nibqghu niftakru

fih speċjalment meta nisimghu l-quddiesa tiegħu "Sant Antonio". Zarenu, issa la qiegħed fil-post tat-tgawdija zgħur li ma jonqsok xejn, il-ghaliex l-imhabba li kellek għall-Marija Bambina issa laqgħet il-milja tagħha - issa qiegħed hdeġha biex tgawdija u minn hemm titlob għalina. Minn qiegħ qalbi nixtieq noffri l-kondoljanzi lill-familja Refalo.

As I discussed with you the photo presented on a recent stamp issue related to this windmill is not the true one.
